KATHY SALEM SECURES ENDORSEMENT FROM UAW

(Mansfield, Ohio) - Kathy Salem, candidate for the Ohio State Senate in District 22, has secured the endorsement of the United Auto Workers Region 2B. Kathy is honored to receive this endorsement because the dignity of work is paramount to the future of Ohio and the future of our Nation.

Autoworkers, along with many other Union brothers and sisters, built the City of Mansfield, Richland County, Ashland County, and Medina County. In the coming days, we will be releasing a comprehensive plan to bring Union jobs back to the 22nd District. Our Union platform says this - Kathy Salem stands in solidarity with you, the worker.

Kathy Salem is dedicated to fighting for your family, your career, and your pension.
